Sir:

This statement supplements the Information Disclosure Statement (IDS) submitted on August 6, 2004. Applicant notes for the record that a Notice of Allowance was mailed by the Office on June 24, 2008 and that submission of this IDS was therefore timely under 37 C.F.R. § 1.97(c).

The PTO/SB/08 form submitted on August 6, 2004 listed foreign reference WO 96/10030. This reference was crossed out, indicating that the Examiner did not consider this reference, as he intended to cite it on Form 892. However, Applicant notes that the Examiner's citation contained a typo, transposing two of the digits in the PCT publication number. Further, the PTO/SB/08 form submitted on August 6, 2004

2004 listed (among others) references Pardo, et al. and Pupa, et al. These references were not considered by the Examiner, as the Examiner indicated that the references were not submitted with the filing. Applicant notes that this statement was made in error, as both of these references were found in the USPTO's Private PAIR system.

Applicant submits herewith on Form PTO/SB/08 a listing of documents the aforementioned documents to be considered by the Office.

Further to a phone conversation of Applicant's representative, Antoinette F. Konski, (Reg. No. 34,202) with Examiner Crane on September 9, 2008 in the Publications Department at the US PTO, Applicant submits herewith on Form PTO/SB/08 a listing of documents to be considered by the Office. The Examiner advised Ms. Konski that the references would be considered and entered into the application file prior to issuance.

A copy of each document is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98, for the Examiner's convenience.

Applicants respectfully request that each listed document be considered by the Office and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.
